I am confident that my previous work experience and my clinical training have prepared me to enter the work force with a professional attitude, passion for service, and abilities beyond that of the average new graduate. My academic and clinical abilities have been recognized as outstanding by my supervisors.

The qualities I have to offer your team include:

- Experience treating and educating surgical patients, both outpatient and inpatient.
- Experience working in a wide variety of team based clinical settings, including the operating room and clinic.
- Ability and appreciation for the value of working with a team and a commitment to being a dependable member of the team.
- Eagerness to learn and acquire knowledge in the field of surgery.

Based on the above attributes, I would sincerely appreciate your consideration for a provider position. It would be an honor to join your team of dedicated providers.
